

Education

Amid growing pressure on K-12 and university facilities to uphold cleanliness and safeguard students and faculty, our user-friendly and reliable floor cleaning equipment ensures uninterrupted, daily maintenance.

Grocery

Our American-made, durable, and value-priced machines provide retail and grocery clients with initial savings and long-term reliability due to non-proprietary parts, enabling easy repairs by any technician with basic knowledge of battery-powered equipment.

Healthcare

In addition to expectations of superior cleaning and drying of the floor, our equipment is designed to be especially quiet and maneuverable. These features allow our equipment to safely operate in congested areas, and without disturbing the public.
